ZA SVAKU PREPORUKU! Ag. Prov. 50%

Belgrade on the Water Residences is one of the most luxurious buildings respectively complex with the best location in Belgrade, It consists of two 20-story towers; each tower has own Lobby with 7/24 hours a top security personnel, swimming pools, gym/ recreation facilities, etc. This apartment on the 11-thth floor spans 2 corners of the building and is the closest to the promenade and Sava river with an unobstructed, probably, one of the best views in Belgrade (West-South-North) to River Sava, Novi Belgrade, Zemun, also towards Avala mountain and towards the river Danube and Fortress Kalemegdan.

This apartment is originally designed for larger family with 3 bedrooms and 3 and half bathrooms to be the largest square footage/meters (except penthouses) in both towers, but now has one of the largest/modified living and dining rooms, for high executives or diplomats but smaller family with 2-3 bedrooms, small office/computer room, 2 and half bathrooms (with heated foors). It has approx. 141 sq. meters, various closets, completely installed kitchen -ready to be used- with installed cupboards (kitchen cabinets) and includes a fridge with freezer, oven, stove, dishwasher, washing machine and dryer, window covering in all rooms, central heating, A/C in all rooms, 2 balconies. It also has a locker room/storage space outside on the garage level, and one designated parking place (belongs to our apartment) in the indoor garage on the garage upper floor level.
